

PureSafety Recognized as One of the Fastest Growing Companies in North America on Deloitte's Fast 500 List

Experiences 164 Percent Growth Over Five-Year Period

FRANKLIN, Tenn. – October 25, 2011 – PureSafety, the leading provider of workforce health and safety software, has ranked for the fourth consecutive year on Deloitte's Technology Fast 500 list of the fastest growing technology, media, telecommunications, life sciences and clean technology companies in North America.

Bill Grana, PureSafety's chief executive officer, credits his team's continued hard work and innovation for the company's 164 percent revenue growth over five years. "Recognition on this prestigious list, especially for the fourth consecutive year, is rewarding. It is a testament to the quality of our team and an organizational wide commitment to continue to raise the bar across all areas of the business. We expect our vision of uniting workforce health and safety through enterprise software systems to continue to drive meaningful future growth."

"PureSafety, like all 2011 Technology Fast 500 companies, has excelled in fostering innovation and channeling it into spectacular growth -- against the backdrop of one of the most challenging economies in history," said Eric Openshaw, vice chairman and U.S. technology, media and telecommunications leader, Deloitte LLP. "Deloitte recognizes PureSafety for its remarkable accomplishment."
