CALENDAR OF EVENTS 2012

DECEMBER

WINTER HOLIDAY PARTY

Celebrate the Holidays at this annual networking event. Don't miss the opportunity to mingle with over 200 members of Nashville's Technology Community in a relaxed setting. This event features a variety of appetizers and a free drink ticket.

JANUARY

JANUARY 25, 2012

ANNUAL MEMBERSHIP MEETING

This is an exclusive, members only, annual event held as an opportunity for members to find out the direction the organization is taking in the coming year, to network with other members, and to hear from world class speakers.

FEBRUARY

FEBRUARY 8, 2012 MURMURATION

The most significant gathering of social media technology keynote speakers and professionals ever assembled in Nashville, Tennessee. Benefiting scholarships funds for the NTC and Nashville Social Media Club.

FEBRUARY 28, 2012 EMERGING GROWTH ROUNDTABLE

The Emerging Growth Roundtable is specifically designed to address key issues faced by early stage companies and their CEO's.

MARCH

MARCH 8, 2012 HEALTH CARE PRIVACY AND SECURITY CONSORTIA

The purpose of this half day event is to develop a whitepaper that will address how the health care community can ensure that data is private and secure even when it is not under their control. It will be followed by a series of round table discussions.

APRIL

APRIL 26th and 27th, 2012 TECHNOLOGY NASHVILLE

This is our annual flagship event, highlighting the State of Technology in our region, and showcasing emerging technologies. This event has something for every level of the tech workforce and addresses a variety of industries.

ROUNDTABLE EVENT

Roundtables are two hour events on various topics with presentations, discussion and feedback. These roundtables offer unique opportunities for learning and professional exchange, as well as networking.

MARCH 22, 2012 TECHNET

TechNet is a special event hosted by the Nashville Technology Council to provide technology job seekers, employers, and high education institutions the opportunity to network together. It is designed to help unemployed technology workers find new jobs, provide a direction to help them further their education, and provide networking opportunities.

MAY

MAY 10, 2012 GOLFING WITH THE BOARD

This is an exclusive outing designed for members only. This is a great opportunity for our members to golf and network with our Board of Directors.

JULY

SUMMER HOLIDAY PARTY

At the Tech Council, we think just one holiday party is not enough. Celebrate with us again, at this annual networking event.

AUGUST

HEALTHCARE SUPER ROUNDTABLE

Super Roundtable focused on eHealth Initiatives.

FIRST CAMP

FirstCamp is a half day "unconference" designed to engage high school students into technology by allowing them to present and discuss their ideas. Presented as a part of NTC's ongoing T3 Initiative.

SEPTEMBER

INFOSEC CONFERENCE

Nashville Technology Council and Middle Tennessee chapter of Information Systems Security Association host over 400 attendees and two-dozen locally and nationally recognized speakers. InfoSec offers industry-recognized keynote speakers, panel discussions and multiple breakout sessions focusing on technical and management issues, as well as healthcare and other industry regulations in the security industry.

ROUNDTABLE EVENT

Roundtables are two hour events on various topics with presentations, discussion and feedback. These roundtables offer unique opportunities for learning and professional exchange, as well as networking.

OCTOBER

FALL OUTING

This year, the NTC will host a Fall event for members that will be a day of networking and fun. Stay tuned for details.

OCTOBER 23, 2012 TECHNOLOGY AWARDS GALA

The annual awards gala honors Middle Tennessee's technology companies, leaders and innovators. Join us for this night of networking, food, and entertainment. The Awards Gala features a "red carpet" entrance, VIP reception, dinner, after party and the presentation of 12 prestigious awards.
