

plug into tech talent!

march 22, 2012

Nashville
Technology Council

Looking for tech talent? If so join us at TechNet on March 22nd!

Using a speed-matching format, TechNet provides **job seekers, employers, and higher education institutions** the opportunity to network together to **match potential employees with tech related jobs** or advanced degree programs.

It is designed for recent graduates, soon to be graduates, or individuals who recently received advanced training or certification.

This year's event will feature an **Executive Briefing** for employers who want to learn from organizations that are successfully using internship programs or have positive experience hiring new graduates. Universities, colleges and training institutions will have your own marketplace to display material and network with job seekers.

A limited number of employers will have the opportunity to participate in TechNet. Job seekers will be given a list of participating employers to make their selections for speed matching. Each employer can have up to four attendees - two people conducting speed matching interviews (required) and two people networking with job seekers who are not involved in speed matching.

The First Round of speed matching will be devoted to talking with potential Interns. *Please indicate on the agreement form if you are interested in participating in the first round of TechNet - Intern Speed Matching.* If not, you will still have four more rounds to meet with potential employees.

Agenda:

- 4:00 - 5:00 p.m. Executive Briefing - Success Stories: Hiring Recent Graduates & Establishing an Intern Program
- 5:00 - 7:00 p.m. Networking for job seekers, employers & higher education
- 5:00 - 5:20 p.m. Speed Matching Round 1 (Interns)
- 5:25 - 5:45 p.m. Speed Matching Round 2
- 5:50 - 6:10 p.m. Speed Matching Round 3
- 6:15 - 6:35 p.m. Speed Matching Round 4
- 6:40 - 7:00 p.m. Speed Matching Round 5

Location: We're still looking for the perfect place.
